REPORTS & CHARTERS

2023 - CONCEPT FORMULATION

Groundwork of PT Sarga Multi Ekosistem

Sarga was conceptualized to solve infrastructure fragmented states inside the equine and motorsport tournament categories, creating centralized holding portfolios.

2024 - EVENT SYNERGIES

First Major Festivals & Digital Broadcasts

Launched our initial motorsport trials and equestrian derbies coupled with multi-platform digital broadcasting rights, serving over half a million simultaneous viewer assets.

2025 - VENUE DEVELOPMENT

360°
ECOSYSTEM

The foundational framework of Sarga's commercial operations is structured around five interconnected core pillars, which encompass the fields of Sports, Fun, Venue, Media, and Tech. Through this interactive exploration, detailed operational specifications can be reviewed, and real-time insights regarding active, live projects can be seamlessly accessed.

THE WORLDS' MOST THRILLING RACING

The FIA Rallycross World Cup brings the most intense, wheel-to-wheel action to one of the world's most passionate motorsport nations.

This is where speed meets spectacle.

Pure Speed

Quicker off the line than an F1 car. Zero to 100 in under 2 seconds.

Side by Side

Every lap is a battle for position — asphalt, gravel, no room to breathe.

Up Close

Closer to the cars, the drivers, and the drama than any other motorsport.

Built for Now

Short, sharp races built for fans — and made to be shared.
