WHO WE ARE

BRAND STORY

“The ultimate powerhouse of Indonesian motorsport, dedicated to building the nation’s premier 360° racing ecosystem.”

THE FOCUS

sarga Motorsport focuses on *amplification*. We take the adrenaline of the track and turn it into a world-class spectacle. By combining professional racing standards with massive lifestyle entertainment, we create a new home for the Indonesian motorsport community—one that is nurturing in its support, deep in its engagement, and remains bold, professional, and unmatched in scale.

WHO WE ARE?

We represent the pinnacle of the industry, the ultimate destination for every motorsport enthusiast.

CAPTIVATING

OUR TONE & PERSONALITY

INTENSE

BRAND PERSONA

The Adrenaline Alchemist

This is where the "*amplification*" happens. This personality takes the raw, mechanical energy of racing and transforms it into a sensory spectacle. It is high-energy, vibrant, and electrifying, bridging the engagement between a technical sport and a massive lifestyle event.

HOW WE SPEAK

BRAND TONE

THE ADRENALINE ALCHEMIST

The Alchemist doesn't do "quiet." The voice is loud, proud, and unapologetically vibrant. It uses "power words" to command attention.

*“Sarga Motorsport:
Where friction creates fire and the adrenaline is relentless. Witness the transformation of the track into a world-class arena.”*
